The Honorable Shiela Bentulan

Dear Governor,

Good day. I hope this message finds you well. I would like to extend my sincerest thanks for considering me for the title of Mr. Handsome at North Eastern Mindanao State University (NEMSU). I am deeply honored by this recognition and the opportunity to be part of such an event.

However, after careful consideration, I must respectfully decline the offer at this time. I believe I need to focus on my academic pursuits and other personal goals in order to make the most of my time and energy.

Thank you once again for your kindness and for extending this offer. I wish the event much success and hope that it continues to highlight the great talents of the NEMSU community.

Respectfully yours,

Reymark Goles
